RESPONSE TO ADVISORY ACTION

Sir:

This is in response to the Advisory Action dated January 30, 2004.

Please cancel claims 3-7, and issue allowed claim 1. A clean copy of the claims is enclosed.

The undersigned attorney thanks the Examiner for the helpful discussion on February 3, 2004. The ribbon copy of the patent will be provided upon request.

Applicants ask the Examiner to correct the record regarding the response date of their last reply. As the undersigned attorney discussed with the Examiner by telephone on December 18, 2003, and January 6, 2004, Applicants mailed their reply on November 26, 2003, not December 1, 2003 as evidenced by the return post

card and as recited on the Advisory Action. The Examiner is respectfully asked to correct the PTO records as to the response date of November 26, 2003.

Also, it would appear that the failure of the Examiner to allow claims 3-7 after final in a timely fashion has triggered a late fee. While Applicants believe that no additional fee is due, if this is incorrect, Applicants request that the fee of \$475 for a three (3) month extension be billed to the deposit account number 501890.

A duplicate of this paper is enclosed in the hard copy being mailed.

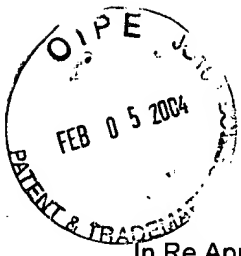

Please expedite the allowance of claim 1 in this reissue patent application. Applicants reserve the right to file an appeal, and/or file related applications directed to canceled claims 3-7 and/or withdrawn claims 2 and 8-25.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Dennis H. Rainear", is written over a horizontal line.
